**Risør Ro and Paddle Club** have again, on behalf of NPF, the pleasure of inviting you to the Nordic Championship. The race takes place on an open sea stretch between Lyngør and Risør over Sild and is approx. 16 km long, but a longer trail from Hagefjordsbrygga of approximately 22 km route can be available upon assessment of good downwind conditions. The direction of the race will be determined by the wind and wave conditions. Participants must consider everything from moderate to more demanding conditions. To participate, you must be able to re-enter your surfski out at sea under the prevailing conditions, as well as meet the other usual safety requirements such as having a fluorescent vest and cap, hand-held emergency flare (will be available for purchase at the race office), whistle, fully charged mobile phone in a waterproof bag, leg leash as well as clothes to be able to lie down for at least 30 minutes in the water. In addition, everyone must have a license for [Webtracking.se](https://www.webtracking.se) and ensure that it is up and running on the mobile phone well in advance. To be able to participate in the Nordic class, you must also belong to a Nordic paddle club. As a participant outside the Nordic countries, you are welcome to participate in open class. Registration is done at [racemanager.no](https://www.racemanager.no) and the registration deadline is set for Sunday 01.09 at 23:59. Payment is made upon registration to the account number: IBAN NO6128014553616 (Risør Rowing & Paddling Club). It is NOK 800 for single and NOK 1000 for double. This includes 4-5 escort boats/safety arrangements, transport to the start from the meeting place/possibly back from the finish line, as well as a hot meal with drink during the ceremony on the day(s) you are registered. The race office and ceremony will be at Brygga Restaurant. The race office will be open from Friday evening. For more information about time and place, skipper's meeting, race office, logistics, etc.; go to: <https://www.facebook.com/events/702669071772147>
